We invite you to join us on Wednesday, September 16th for our “Giving Back To The Community” event.

One of Westchester Insurance Professionals’ goals is to give back to the community. Thanks to the generosity of our November 2025 Auction attendees and contributors, we are able to do so again this year.

Come meet and speak with the representatives of the charities we present donations to and get an understanding of what they are all about.

Venue:

Rini's Restaurant & Wine Bar
12 West Main Street
