I have enclosed my recommendation for Employer of the year 2025.

I met Brad and Barbara Johnson over 30 years ago when they started their Servpro of Orange County business. They were working out of their garage at their home.

I had just started working in insurance and while attending a mutual friend's wedding I got to know and love them and their wonderful daughters Laura & Brittany.

Barbara is past President and held many committee chairs for Insurance Professionals of Orange County.

Brad was always supporting our association in whatever we needed and still does as of today.

Barbara has since retired. She has been affected with Huntington Disease but continues to attend our big fundraisers and Auctions. Our Association has supported Barb by attending the Huntington Walk and donating to her cause.

She attends when she can and always is a great supporter of IPOC and FNYIP.

Brad is an Honoree member of IPOC. He attends events when he can and maintains supporting IPOC and FNYIP.

Laura and Brittany have taken over the main responsibilities as partners of Servpro of Orange, Sullivan and Ulster County. They grew up being children of IPOC and FNYIP and now members themselves. They have held many positions and as of today Laura is our Secretary and Brittany our Treasurer. They have assisted wherever needed with their time, donations, Sponsorships, and whatever is asked of them.

They have Sponsored Convention for FNYIP, submitted to our Journal, takes part in every fundraiser since I've been involved and even more.

Running a business can be overwhelming. I have seen this Company come out in major storms Irene, Lee, Sandy and many other events. They have donated their time and equipment traveling to areas they are not even associated with. This is to be commended. They are a family-run business, and their employees think of them as such which has contributed to their growing success. Even their Grandmother Rita takes part. She makes homemade cookies for all our events and even sends to many Agents and Brokers in our Area.

It is my honor to nominate Servpro of Orange, Sullivan & Ulster County.
